**COUNCIL BELIEVES IN LIVING GREEN**

We are doing our bit to lower water and energy usage around our city and we encourage you to do the same. Please be aware of the different options for disposing of your rubbish at this year's festival and ensure you place your waste in the appropriately marked bin.

The Craigieburn Festival will again be held at DS Aitken Reserve Craigieburn, within close proximity to public transport links. We hope you will consider travelling by train or bus to the festival to lower your impact on the environment. Use Metlink's Journey Planner for your most convenient transport option – visit [www.metlinkmelbourne.com.au](http://www.metlinkmelbourne.com.au).

Festival goers are also encouraged to ride to the festival. This is an all-ages, fully supervised, drug, alcohol and smoke free event.

Please note: Council's photographer will be capturing images of the community for use in future event promotions and Council publications. Please advise the photographer if you do not consent to you or your children being photographed.
