

# Seabrook Reserve: A fresh start

Hume City Council is planning improvements for Seabrook Reserve. We're exploring a range of ways to make the reserve a better place for the whole community. We would like your feedback on the master plan.

## A future Seabrook Reserve will be:

### Inviting and welcoming

- Develop the reserve to become a local community destination and the heart of a wider precinct
- Create a welcoming reserve and foster a sense of community pride and ownership

### Safe

- New housing to face onto the reserve and provide better community safety
- Family friendly space to bring more daytime activity

### Environmentally friendly

- Enhance the quality of the open space and rehabilitate the Merlynston Creek corridor
- Establish the creek as a community asset which promotes environmental awareness and stewardship

### Accessible and connected

- Improve accessibility to the reserve for local residents
- Improve linkages from the reserve to the civic precinct, Broadmeadows Shopping Centre and Broadmeadows Station

### Healthy and active

- Create opportunities for social interaction
- Encourage physical activity and passive recreation for enhanced well-being
- Make the area more conducive to active lifestyles by improving walking/cycling paths to key community areas
- Cater for a wide range of age groups through a variety of active and passive recreation uses
