

Jack Roper Reserve Future Improvements

What we're doing

Jack Roper Reserve in Broadmeadows is one of Hume's most popular parks. We'd like to inform you that Hume City Council is currently planning a number of projects to continue to improve its facilities. The projects will commence in 2023 and include:

- 1 New accessible public toilets on the east side of the reserve, near the fitness equipment. The automated toilet facilities will be open during daylight hours.
- 2 New toilet, drinking fountain and spectator shelter adjacent to the soccer field. This toilet will be open during sporting events and club bookings only.
- 3 Upgrading the shared paths from the Metropolitan Ring Road to Camp Road from gravel to concrete.
- 4 Improvements to other pedestrian path connections.
- 5 Stormwater harvesting system which includes the installation of underground tanks and the development of a rain garden.
- 6 Investigating options for a path around the retarding basin (lake).
