

## HUME CITY COUNCIL SOLAR ROLL-OUT FOR HOUSEHOLDS

To make it easier for households to install solar panels, Council has partnered with Yarra Energy Foundation and accredited solar supplier Green Home Green Planet to deliver the Hume Solar Roll-out program.

Savings on your electricity bills will usually more than cover loan repayments. To be eligible, your household income must be less than \$180,000 a year and property value of less than \$3 million. Go to <a href="mailto:solar.vic.gov.au">solar.vic.gov.au</a> for further details.

## Great rebates available now

The Victorian Government's Solar Homes program is offering rebates up to \$1,400 and a four-year, no-interest loan up to \$1,400 to households to help them install solar panels.

## Additional rebates for Concession Card Holders

Hume City Council is offering concession card holders eligible for Solar Homes rebate an additional \$700 rebate to further reduce the upfront costs of solar. Please note, there are a limited number of rebates available for Hume households that hold a concession card.

## Hume Solar Roll-out standard pricing (415w Panels)

System Size (kW)	Cost with a standard inverter*	Upfront cost (with rebate and loan applied)	Cost with premium inverter*	Upfront (with rebate and loan applied)
2.9	\$ 3,749	\$ 949	\$ 5,072	\$ 2,272
4.15	\$ 4,849	\$2,049	\$ 6,099	\$ 3,299
5.39	\$5,839	\$3,039	\$7,330	\$4,530
6.6	\$ 6,799	\$ 3,999	\$ 8,350	\$ 5,550

\*Inverters convert direct current from your panels into alternating current for use in your home. Premium inverters provide more monitoring capacity.

Accredited supplier Green Home Green Planet will help you to determine which system will best meet your needs. Quotes are personalised and include bill savings from the recommended system.

The actual cost of the system will depend on specific circumstances including:

- double-storey homes
- steep roofs
- split arrays
- use of microinverters due to shading
- required switchboard upgrades.

To get a free no obligation quote, register your details at humesolarprogram.org.au or call Yarra Energy Foundation on (03) 7036 6040 or scan the QR code.
