

# HUME CITY COUNCIL **TREATY COMMUNITY CONVERSATIONS**

**Discover what a Treaty between Aboriginal Victorians and the Victorian Government means for you.**

Come along and learn more about Victoria's commitment to negotiating a treaty with our First Peoples from Aislinn Martin, Board Member of Reconciliation Victoria, Marcus Stewart, CEO of the Federation of Victorian Traditional Owner Corporations, Tracey Evans, a Gundjitrara/Bundjalung woman who is a local candidate for the First People's Assembly and a resident of Hume for over 16 years and 3KND radio presenter Charles Pakana.

Treaty will formally recognise and celebrate Aboriginal Victorians' unique status, rights and cultures and will benefit all Victorians - promoting reconciliation, fostering shared pride in Indigenous cultures and helping to heal the wounds of the past. Uncle Colin Hunter will provide a Welcome to Country at the beginning of the event.
