Experience 1

Children in Hume Cookbook

Chef Emalyn is back with another Children in Hume recipe, this one is a warming Lentil and Vegetable Soup from Safi at Bluebird Way Preschool in Roxburgh Park, thanks Safi.

Learning opportunities:

One of the true meanings of community is to share as a social unit with commonality such as values, identity and culture. Through our community we have a sense of place, to our municipality, our town or suburb. To children, their community includes peers and the places where they play and learn. We are so fortunate to live in a multicultural community and we are celebrating that diverse and rich culture through the Children in Hume Cookbook.

Thank you to everyone for sharing your family favourites, we can't wait to share them with our whole community.

How to make it

You will need:

- 2 olive oil
- 1 cup red lentils
- 3 tbsp crushed garlic
- 2 carrots
- 1 medium onion
- 3 celery sticks
- 1 zucchini
- 150 chopped spinach
- 2 cups passata
- 2 cup vegetable stock
- Salt and pepper to taste

Experience 2

Preschool and Primary School Transition

Are you enrolling your child in preschool or school? This is an important and exciting time in the lives of your family, planning for a positive start can help your child develop a lifelong love of learning.

But where to start? Our best advice is to explore your options as early as possible. This will allow you time to get a feel for different environments and to make a choice that best suits you and your child.

You will find the booklet here You will find the booklet here
