The Building

Town Hall Broadmeadows has been a fixture in the landscape of Melbourne's north for more than half a century.

In 2019, the venue underwent a multimillion dollar makeover that has seen it enter a new and exciting chapter as it transformed into a contemporary space for corporate, private and community events, and a business hub to support local jobs.

The Main Hall

Catering for up to 500 people seated and 800 people standing, the Main Hall can be tailored to host a wide range of private, business and community events. The space is supported with the latest audio and visual technology - including state-of-the-art presentation screens, lighting and speakers - plus scalable dancefloor and staging options to bring every event to life.

The Blue Lounge

The Blue Lounge provides a touch of glamour to the Town Hall. Located on the second floor, it provides direct access to the balcony and a bird's eye view of the Main Hall.

The Bar

Ideal for arrival and pre-dinner drinks or events catering for 100 to 150 guests, The Bar is located on the first floor and provides direct entry to the Main Hall.

The Gallery

The Gallery is one of Hume City Council's dedicated visual arts venues showcasing both local and international talent. It presents an annual program of innovative and engaging arts, cultural and heritage exhibitions. The Gallery offers a unique backdrop for pre-dinner drinks and functions catering for 150 people.

The Area

StartNorth is conveniently located opposite Broadmeadows Central and Broadmeadows Train Station, with access to buses and the Craigieburn and V/Line train lines.
