

# Child's Overseas Immunisation History

## Why we need your child's immunisation history

If you or your family are new to the country, before you can join school or care in Australia, you may need to get vaccinated. Immunisation is a way of keeping yourself, your family and the community safe from harmful infections.

### Your Details

Name: _____		
Address: _____	Post code: _____	
Postal Address: _____	Post code: _____	
Email: _____	Mobile: _____	Home: _____

## Overseas Immunisation History Required

For each child listed on this form, attach a clear copy of your child's overseas Immunisation history, in English.

### Create an immunisation profile

Register yourself and family on our immunisation platform VaxApp, <https://hume.book.vaxapp.com.au/register>

Registration allow us to upload the history to the Australian Immunisation Register.

Once you have registered yourself you are able to add your children's details as a dependant. If you require assistance contact the Immunisation team on 9356 6745.

### Send the completed form and immunisation history to [immunisation@hume.vic.gov.au](mailto:immunisation@hume.vic.gov.au)

I understand and acknowledge that all the information provided in this submission is true and correct.
