Submission to the 2021-2022 Budget

John Mitchell

- I would like to know the rate of spend in each ward ?
- Why is Sunbury and Craigieburn receiving the most funding when the meadow valley ward grew at the same level, as in residents moving into Meadow valley ward due to the different housing options (units). Growth is the same yet spending is not equal. Why ?
- We need more funding for traffic inspectors.
- We need more funding for rubbish collection of our streets and rubbish dumping.
- Why are we spending so much on councilors receptions and council managers farewells.
- Why are we spending 10 million dollars to build 2 levels on top of library. Why do we need more offices as the current office building is half empty. ?
- Why are we spending all this money at the town hall when not one person has got married or one function has been held. Yet we are spending 3 million dollars a year to have it open and no one is using it.
- this is not a budget for the residents, it's a budget to spend more money on useless ideas and projects. Councilors should be ashamed of themselves.

Yours Sincerely

John Mitchell
